Autobiographical memory is a memory system consisting of episodes recollected from an individual's life, based on a combination of episodic (personal experiences and specific objects, people and events experienced at particular time and place) and semantic (general knowledge and facts about the world) memory. It is thus a type of explicit memory

COPENHAGEN — Norwegian officials insisted Monday that there was “still hope” of finding survivors in air pockets five days after a landslide killed at least seven people as it carried away homes in a village north of the capital. Three people are still missing. Police spokesman Roger Pettersen said search efforts in the landslide-hit village of Ask, 25 kilometres (16 miles) northeast of ...

William Wordsworth was born on April 7 th, 1770, in Cockermouth, Cumberland, England. Young William's parents, John and Ann, died during his boyhood. Raised amid the mountains of Cumberland alongside the River Derwent, Wordsworth grew up in a rustic society, and spent a great deal of his time playing outdoors, in what he would later remember as a pure communion with nature.

In France, a Black Lives Matter rally descended into cries of 'dirty Jews', echoing the anti-Semitic chants that filled the same streets during the Dreyfus affair a century ago. Shortly afterwards, the #Jewishprivilege Twitter hashtag sought to lump Jews together with the forces of oppression — until it was subverted by Jews posting accounts of the persecution suffered by their families.
