FreeFileSync is a folder comparison and synchronization software that creates and manages backup copies of all your important files. Instead of copying every file every time, FreeFileSync determines the differences between a source and a target folder and transfers only the minimum amount of data needed.

All honestly, players have an endless roll of dodge in stamina, but magic classes can use roll dodge only 2-3 times, and even if they have 100% stamina. Magic classes in general are obviously in a losing state, they have only 15-20k stamina, and there is no such regen as the stamina classes. This amount is enough for 2 breakfree.
