Now gently pry on the seam starting from the rear and working forward. The front tab is a little tricky, but pull straight up to get it off. Be careful as the wiring to the control panel is only a few inches, and if you pull too hard it can come up suddenly and damage the wires. 6. Once the lid is off, flip it over and depress the 2 tabs in Pic ...

This is a really nice bouncer it was very easy to put together and did come with extra screws in case one got lost i think two to be exact. Its super soft and thick with padding and super big and that was a very big plus for me cause i always want my little one to be comfterble no matter what.I also really like how ou can adjust
