Pathfinder 2 has definitely gone off on its own tangent from the DnD 3.5 rules from which it originally derived, which is a good thing. My gaming group like the mechanics of Pathfinder, which can add a lot of depth and colour to combats. The Pathfinder 2 rules though overcomplicate often where this is not necessary and the rulebook is impenetrable.

Playing the Game. While playing the Pathfinder RPG, the Game Master describes the events that occur in the game world, and the players take turns describing what their characters do in response to those events. Unlike storytelling, however, the actions of the players and the characters controlled by the Game Master (frequently called non-player characters, or NPCs) are not certain.

When creating your character, you selected a race (human, elf, dwarf, etc) and a class (Fighter, ranger, alchemist, etc). When leveling, your race does not change; on the other hand, you can train in other classes by "taking a level" in any class you desire, but for now, I will assume you are leveling up in your original class.

Rangers were warriors who excelled at exploring the fringes of civilization and hunting down deadly monsters. Hunters, scouts, trappers, and assassins, rangers could be found wherever civilization bordered the wilderness. To aid them in their outback treks, rangers were trained in a number of combat techniques, survival skills, and even magic.⁹ The most famous of all Toril's rangers is by far ...
