In doing so, it may consider assurance from other internal and external providers. Principle 5: Third line independence . Internal audit's independence from the responsibilities of management is critical to its objectivity, authority, ... the Principles of the Three Lines Model.

[Generally Accepted Accounting Principles \(United States ...](#)

Generally Accepted Auditing Standards, or GAAS are sets of standards against which the quality of audits are performed and may be judged. Several organizations have developed such sets of principles, which vary by territory. In the United States, the standards are promulgated by the Auditing Standards Board, a division of the American Institute of Certified Public Accountants (AICPA).
