[15 Best All In One Home Gyms Reviewed \(February 2021\)](#)

Review: If you want an all in one piece of equipment for the home that operates like the exercise machines at the local gym, this all in one machine is an affordable option. It has a relatively small footprint, and will not feel as stable as the gym machines, but it does give up to 260 lbs of resistance and offers the same exercises as the commercial gym machines, all without leaving the house.
